

B.

Seismic Rehabilitation Guidelines Project Participants

Project Oversight Committee

Chairman

Eugene Zeller
Director of Planning and Building
Department of Planning and Building
Long Beach, California

ASCE Members

Paul Seaburg
Office of the Associate Dean
College of Engineering and Technology
Omaha, Nebraska

Ashvin Shah
Director of Engineering
American Society of Civil Engineers
Washington, D.C.

ATC Members

Thomas G. Atkinson
Atkinson, Johnson and Spurrier
San Diego, California

Christopher Rojahn
Executive Director
Applied Technology Council
Redwood City, California

BSSC Members

Gerald H. Jones
Consultant
Kansas City, Missouri

James R. Smith
Executive Director
Building Seismic Safety Council
Washington, D.C.

ASCE Project Participants

Project Steering Committee

Vitelmo V. Bertero
Earthquake Engineering Research Center
University of California
Richmond, California

William J. Hall
University of Illinois at Urbana-Champaign
Urbana, Illinois

Clarkson W. Pinkham
S. B. Barnes Associates
Los Angeles, California

Paul Seaburg
University of Omaha
Omaha, Nebraska

Roland L. Sharpe
Consulting Structural Engineer
Los Altos, California

Jon S. Traw
International Council of Building Officials
Whittier, California

Users Workshops

Tom McLane, Manager
American Society of Civil Engineers
Washington, D.C.

Debbie Smith, Coordinator
American Society of Civil Engineers
Washington, D.C.

Research Synthesis Subcontractor

James O. Jirsa
University of Texas
Austin, Texas

Special Issues Subcontractor

Melvyn Green
Melvyn Green and Associates
Torrance, California

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

ATC Project Participants

Senior Technical Committee

Principal Investigator (PI)

Christopher Rojahn
Applied Technology Council
Redwood City, California

Co-PI and Project Director

Daniel Shapiro
SOH & Associates
San Francisco, California

Co-Project Director

Lawrence D. Reaveley
University of Utah
Salt Lake City, Utah

Senior Technical Advisor

William T. Holmes
Rutherford & Chekene
San Francisco, California

Technical Advisor

Jack Moehle
EERC, UC Berkeley
Richmond, California

ATC Board Representative (Ex-Officio)

Tom Atkinson
Atkinson, Johnson, & Spurrier
San Diego, California

General Requirements Team

Ronald O. Hamburger, Team Leader
EQE International
San Francisco, California

Sigmund A. Freeman
Wiss, Janney, Elstner Associates
Emeryville, California

Prof. Peter Gergely (deceased)
Cornell University
Ithaca, New York

Richard A. Parmelee
Consulting Engineer
St. George, Utah

Allan R. Porush
Dames & Moore
Los Angeles, California

Modeling and Analysis Team

Mike Mehrain, Team Leader
Dames & Moore
Los Angeles, California

Ronald P. Gallagher
R. P. Gallagher Associates
San Francisco, California

Helmut Krawinkler
Stanford University
Stanford, California

Guy J. P. Nordenson
Ove Arup & Partners
New York, New York

Maurice S. Power
Geomatrix Consultants, Inc.
San Francisco, California

Andrew S. Whittaker
EERC, UC Berkeley
Richmond, California

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

Geotechnical/Foundations Team

Jeffrey R. Keaton, Team Leader
AGRA Earth & Environmental
Phoenix, Arizona

Craig D. Comartin
Consulting Engineer
Stockton, California

Paul W. Grant
Shannon & Wilson, Inc.
Seattle, Washington

Geoffrey R. Martin
University of Southern California
Los Angeles, California

Maurice S. Power
Geomatrix Consultants, Inc.
San Francisco, California

Concrete Team

Jack P. Moehle, Co-Team Leader
EERC, UC Berkeley
Richmond, California

Lawrence D. Reaveley, Co-Team Leader
University of Utah
Salt Lake City, Utah

James E. Carpenter
Bruce C. Olsen Consulting Engineers
Seattle, Washington

Jacob Grossman
Rosenwasser/Grossman Cons Engrs.
New York, New York

Paul A. Murray
Stanley D. Lindsey & Associates
Nashville, Tennessee

Joseph P. Nicoletti
URS/John A. Blume and Associates
San Francisco, California

Kent B. Soelberg
Rutherford & Chekene
Boise, Idaho

James K. Wight
University of Michigan
Ann Arbor, Michigan

Masonry Team

Daniel P. Abrams, Team Leader
University of Illinois
Urbana, Illinois

Samy A. Adham
Agbabian Associates
Pasadena, California

Gregory R. Kingsley
KLFA of Colorado
Golden, Colorado

Onder Kustu
Oak Engineering
Belmont, California

John C. Theiss
EQE - Theiss
St. Louis, Missouri

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

Steel Team

Douglas A. Foutch, Team Leader
University of Illinois
Urbana, Illinois

Navin R. Amin
Skidmore, Owings & Merrill
San Francisco, California

James O. Malley
Degenkolb Engineers
San Francisco, California

Charles W. Roeder
University of Washington
Seattle, Washington

Thomas Z. Scarangelo
Thornton-Tomasetti
New York, New York

Wood Team

John M. Coil, Team Leader
Coil & Welsh
Tustin, California

Jeffery T. Miller
Reaveley Engineers & Assoc., Inc.
Salt Lake City, Utah

Robin Shepherd
Forensic Expert Advisers, Inc.
Santa Ana, California

William B. Vaughn
Vaughn Engineering
Lafayette, California

New Technologies Team

Charles A. Kircher, Team Leader
Charles Kircher & Associates
Mountain View, California

Michael C. Constantinou
State University of New York at Buffalo
Buffalo, New York

Andrew S. Whittaker
EERC, UC Berkeley
Richmond, California

Nonstructural Team

Christopher Arnold, Team Leader
Building Systems Development
Palo Alto, California

Richard L. Hess
Hess Engineering, Inc.
Los Alamitos, California

Frank E. McClure
Consulting Structural Engineer
Orinda, California

Todd W. Perbix
RSP/EQE
Seattle, Washington

Appendix B: Seismic Rehabilitation Guidelines Project Participants

Simplified Rehabilitation Team

Chris D. Poland, Team Leader
Degenkolb Engineers
San Francisco, California

Leo E. Argiris
Ove Arup & Partners
New York, New York

Thomas F. Heausler
Heausler Structural Engineers
Kansas City, Missouri

Evan Reis
Degenkolb Engineers
San Francisco, California

Tony Tschanz
Skilling Ward Magnusson
Barkshire, Inc.
Seattle, Washington

Qualification of In-Place Materials Consultants

Charles J. Hookham (Lead)
Black & Veatch
Ann Arbor, Michigan

Dr. Richard Atkinson (deceased)
Atkinson-Noland & Associates
Boulder, Colorado

Ross Esfandiari
Ross Engineering Services
Walnut Creek, California

Language & Format Consultant

James R. Harris
J. R. Harris & Company
Denver, Colorado

Report Preparation Consultants

Roger E. Scholl (deceased), Lead
CounterQuake Corporation
Redwood City, California

Robert K. Reitherman
The Reitherman Company
Half Moon Bay, California

Document Production

Lasselle-Ramsay, Inc.
Mountain View, California

ATC Staff

Christopher Rojohn
Executive Director

A. Gerald Brady
Deputy Executive Director

Patty Christofferson
Manager, Administration & Public Relations

Peter N. Mork
Computer Specialist

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

BSSC Project Participants

1997 Board of Direction

Chairman

Eugene Zeller
Director of Planning and Building
Department of Planning and Building
Long Beach, California

Vice Chairman

William W. Stewart, FAIA
Stewart•Schaberg/Architects
Clayton, Missouri
(representing the American Institute of Architects)

Members

James E. Beavers, Ex officio
James E. Beavers Consultants
Oak Ridge, Tennessee

Eugene Cole
Cole, Yee, Schubert and Associates
Carmichael, California
(representing the Structural Engineers Association of California)

S. K. Ghosh
Portland Cement Association
Skokie, Illinois

Nestor Iwankiw
Vice President, Technology and Research
American Institute of Steel Construction
Chicago, Illinois

Gerald H. Jones
Kansas City, Missouri
(representing the National Institute of Building Sciences)

Joseph Nicoletti
Senior Consultant
URS/John A. Blume & Associates
San Francisco, California
(representing the Earthquake Engineering Research Institute)

Secretary

Mark B. Hogan
Vice President of Engineering
National Concrete Masonry Association
Herndon, Virginia

John R. "Jack" Prosek
Project Manager
Turner Construction Company
San Francisco, California
(representing Associated General Contractors of America)

W. Lee Shoemaker, Ph.D.
Director of Research and Engineering
Metal Building Manufacturers Association
Cleveland, Ohio

John C. Theiss
Vice President
EQE - Theiss
St. Louis, Missouri
(representing the American Society of Civil Engineers)

Charles H. Thornton
Chairman/Principal
Thornton-Tomasetti Engineers
New York, New York
(representing the Applied Technology Council)

David P. Tyree
Regional Manager
American Forest and Paper Association
Colorado Springs, Colorado

Appendix B: Seismic Rehabilitation Guidelines Project Participants

Members (continued)

David Wismer
Director of Planning and Code Development
Department of Licenses and Inspections
Philadelphia, Pennsylvania
(representing Building Officials and Code Administrators
International)

Richard Wright
Director
Building and Fire Research Laboratory
National Institute of Standards and Technology
Gaithersburg, Maryland

BSSC Staff

James R. Smith
Executive Director

Claret M. Heider
Technical Writer-Editor

Thomas R. Hollenbach
Deputy Executive Director

Mary Marshall
Administrative Assistant

Larry Anderson
Director, Special Projects

Societal Issues Subcontractor

Robert A. Olson
Robert Olson Associates, Inc.
Sacramento, California

BSSC Project Committee

Chairman

Warner Howe
Consulting Structural Engineer
Germantown, Tennessee

Consultant

Robert A. Olson
Robert Olson Associates, Inc.
Sacramento, California

Members

Gerald H. Jones
Kansas City, Missouri

Harry W. Martin
American Iron and Steel Institute
Auburn, California

Allan R. Porush
Structural Engineer
Dames and Moore
Los Angeles, California

F. Robert Preece
Preece/Goudie and Associates
San Francisco, California

William W. Stewart, FAIA
Stewart Schaberg/Architects
Clayton, Missouri

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

Seismic Rehabilitation Advisory Panel

Chairman

Gerald H. Jones
Kansas City, Missouri

Members

David E. Allen
Structures Division
Institute of Research in Construction
National Research Council of Canada
Ottawa, Ontario, Canada

John Battles
Southern Building Code Congress, International
Birmingham, Alabama

David C. Breiholz
Chairman, Existing Buildings Committee
Structural Engineers Association of California
Lomita, California

Michael Caldwell
American Institute of Timber Construction
Englewood, Colorado

Gregory L. F. Chiu
Institute for Business and Home Safety
Boston, Massachusetts

Terry Dooley
Morley Construction Company
Santa Monica, California

Susan M. Dowty
International Conference of Building Officials
Whittier, California

Steven J. Eder
EQE Engineering Consultants
San Francisco, California

S. K. Ghosh
Portland Cement Association
Skokie, Illinois

Barry J. Goodno
Professor
School of Civil Engineering
Georgia Institute of Technology
Atlanta, Georgia

Charles C. Gutberlet
U.S. Army Corps of Engineers
Washington, D.C.

Warner Howe
Consulting Structural Engineer
Germantown, Tennessee

Howard Kunreuther
Wharton School
University of Pennsylvania
Philadelphia, Pennsylvania

Harry W. Martin
American Iron and Steel Institute
Auburn, California

Robert McCluer
Building Officials and Code Administrators, International
Country Club Hills, Illinois

Margaret Pepin-Donat
National Park Service Retired
Edmonds, Washington

William Petak
Professor, Institute of Safety and Systems Management
University of Southern California
Los Angeles, California

Howard Simpson
Simpson, Gumpertz and Heger
Arlington, Massachusetts

William W. Stewart, FAIA
Stewart Schaberg/Architects
Clayton, Missouri

James E. Thomas
Duke Power Company
Charlotte, North Carolina

L. Thomas Tobin
Tobin and Associates
Mill Valley, California

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

Representatives of BSSC Member Organizations and their Alternates

(as of September 1997)

AFL-CIO Building and Construction Trades Department

Representative

Sandra Tillett
AFL-CIO Building and Construction Trades
Washington, D.C.

Alternate

Pete Stafford
Center to Protect Workers' Rights
Washington, D.C.

AISC Marketing, Inc.

Representative

Robert Pyle
AISC Marketing, Inc.
Buena Park, California

American Concrete Institute

Representative

Arthur J. Mullkoff
American Concrete Institute
Farmington Hills, Michigan

Alternate

Ward R. Malisch
American Concrete Institute
Farmington Hills, Michigan

American Consulting Engineers Council

Representative

Roy G. Johnston
Brandow and Johnston Associates
Los Angeles, California

Alternate

Edward Bajer
American Consulting Engineers Council
Washington, D.C.

American Forest and Paper Association

Representative

David P. Tyree, P.E.
American Forest and Paper Association
Colorado Springs, Colorado

Alternate

Bradford K. Douglas, P.E.
American Forest and Paper Association
Washington, D.C.

American Institute of Architects

Representative

William W. Stewart, FAIA
Stewart-Schaberg/Architects
Clayton, Missouri

Alternate

Gabor Lorant
Gabor Lorant Architect Inc.
Phoenix, Arizona

American Institute of Steel Construction

Representative

Nestor Iwankiw
American Institute of Steel Construction
Chicago, Illinois

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

American Insurance Services Group, Inc.

Representative

John A. Mineo
American Insurance Services Group, Inc.
New York, New York

Alternate

Phillip Olmstead
ITT Hartford Insurance Group
Hartford, Connecticut

American Iron and Steel Institute

Representative

Harry W. Martin
American Iron and Steel Institute
Auburn, California

American Plywood Association

Representative

Kenneth R. Andreason
American Plywood Association
Tacoma, Washington

Alternate

William A. Baker
American Plywood Association
Tacoma, Washington

American Society of Civil Engineers

Representative

John C. Theiss
EQE - Theiss
St. Louis, Missouri

Alternate

Ashvin Shah
Scarsdale, New York

American Society of Civil Engineers - Kansas City Chapter

Representative

Harold Sprague
Black & Veatch
Overland, Missouri

Alternate

Brad Vaughan
Black & Veatch
Overland, Missouri

American Society of Heating, Refrigerating and Air-Conditioning Engineers, Inc.

Representative

William Staehlin
State of California
Sacramento, California

Alternate

Bruce D. Hunn, Ph.D.
ASHRE
Atlanta, Georgia

American Society of Mechanical Engineers

Representative

Evangelos Michalopoulos
Hartford Steam Boiler Inspection and Insurance Company
Hartford, Connecticut

Alternate

Ronald W. Haupt
Pressure Piping Engineering Associates
Foster City, California

American Welding Society

Representative

Hardy C. Campbell III
American Welding Society
Miami, Florida

Alternate

Charles R. Fassinger
American Welding Society
Miami, Florida

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

Applied Technology Council

Representative

Christopher Rojahn
Applied Technology Council
Redwood City, California

Alternate

Charles N. Thornton
Thornton-Tomasetti
New York, New York

Associated General Contractors of America

Representative

Jack Prosek
Turner / VANIR Construction Management
Oakland, California

Alternate

Christopher Monek
Associated General Contractors of America
Washington, D.C.

Association of Engineering Geologists

Representative

Ellis Krinitzsky
Army Corps of Engineers
Vicksburg, Mississippi

Alternate

Patrick J. Barosh
Patrick J. Barosh & Associates
Concord, Massachusetts

Association of Major City Building Officials

Representative

Arthur J. Johnson, Jr.
City of Los Angeles
Department of Building and Safety
Los Angeles, California

Brick Institute of America

Representative

J. Gregg Borchelt
Brick Institute of America
Reston, Virginia

Alternate

Karl Deppe
City of Los Angeles
Department of Building and Safety
Los Angeles, California

Alternate

Mark Nunn
Brick Institute of America
Reston, Virginia

Building Officials and Code Administrators International

Representative

David Wismer
Department of Licenses and Inspections
Philadelphia, Pennsylvania

Alternate

Paul K. Heilstedt
BOCA, International
Country Club Hills, Illinois

Building Owners and Managers Association International

Representative

Michael Jawer
BOMA, International
Washington, D.C.

California Geotechnical Engineers Association

Representative

Alan Kropp
Alan Kropp & Associates
Berkeley, California

Alternate

John A. Baker
Anderson Geotechnical Consultants
Roseville, California

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

California Seismic Safety Commission

Representative

Fred Turner
Seismic Safety Commission
Sacramento, California

Canadian National Committee on Earthquake Engineering

Representative

R. H. Devall
Read Jones Christoffersen Ltd.
Vancouver, British Columbia, Canada

Alternate

D. A. Lutes
National Research Council of Canada
Division of Research Building
Ottawa, Ontario, Canada

Concrete Masonry Association of California and Nevada

Representative

Stuart R. Beavers
Concrete Masonry Association of California and Nevada
Citrus Heights, California

Alternate

Daniel Shapiro
SOH & Associates, Structural Engineers
San Francisco, California

Concrete Reinforcing Steel Institute

Representative

David P. Gustafson
Concrete Reinforcing Steel Institute
Schaumburg, Illinois

Alternate

H. James Nevin
Concrete Reinforcing Steel Institute
Glendora, California

Division of the State Architect

Representative

Vilas Mujumdar
Division of the State Architect
Sacramento, California

Alternate

Alan Williams
Division of the State Architect
Sacramento, California

Earthquake Engineering Research Institute

Representative

Joseph Nicoletti
URS Consultants
San Francisco, California

Alternate

F. Robert Preece
Preece/Goudie & Associates
San Francisco, California

Hawaii State Earthquake Advisory Board

Representative

Paul Okubo, Ph. D.
Hawaii State Earthquake Advisory Board
Department of Defense
Honolulu, Hawaii

Alternate

Gary Chock
Martin, Bravo & Chock, Inc.
Honolulu, Hawaii

Appendix B: Seismic Rehabilitation Guidelines Project Participants

Insulating Concrete Form Association

Representative

Dick Whitaker
Insulating Concrete Form Association
Glenview, Illinois

Alternate

Dan Mistick
Portland Cement Association
Skokie, Illinois

Institute for Business and Home Safety

Representative

Gregory L.F. Chiu
Institute for Business and Home Safety
Boston, Massachusetts

Alternate

Karen Gahagan
Institute for Business and Home Safety
Boston, Massachusetts

Interagency Committee on Seismic Safety in Construction

Representative

Richard Wright
National Institute of Standards & Technology
Gaithersburg, Maryland

Alternate

H. S. Lew
National Institute of Standards and Technology
Gaithersburg, Maryland

International Conference of Building Officials

Representative

Rick Okawa
International Conference of Building Officials
Whittier, California

Alternate

Susan M. Dowty
International Conference of Building Officials
Laguna Niguel, California

International Masonry Institute

Representative

Richard Filloramo
International Masonry Institute
Glastonbury, Connecticut

Alternate

Diane Throop
International Masonry Institute
Great Lakes Office
Ann Arbor, Michigan

Masonry Institute of America

Representative

John Chrysler
Masonry Institute of America
Los Angeles, California

Alternate

James E. Amrhein
Masonry Institute of America
Los Angeles, California

Metal Building Manufacturers Association

Representative

W. Lee Shoemaker, Ph.D., P.E.
Metal Building Manufacturers Association
Cleveland, Ohio

Alternate

Joe N. Nunnery
AMCA Building Division
Memphis, Tennessee

National Association of Home Builders

Representative

Ed Sutton
National Association of Home Builders
Washington, D.C.

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

National Concrete Masonry Association

Representative

Mark B. Hogan, P.E.
National Concrete Masonry Association
Herndon, Virginia

Alternate

Phillip J. Samblanet
National Concrete Masonry Association
Herndon, Virginia

National Conference of States on Building Codes and Standards

Representative

Richard T. Conrad, AIA
State Historical Building Safety Board
Sacramento, California

Alternate

Robert C. Wible
National Conference of States on Building Codes and
Standards
Herndon, Virginia

National Council of Structural Engineers Associations

Representative

Howard Simpson
Simpson, Gumpertz & Heger
Arlington, Massachusetts

Alternate

W. Gene Corley
Construction Technology Laboratories
Skokie, Illinois

National Elevator Industry, Inc.

Representative

George A. Kappenhagen
Schindler Elevator Corporation
Morristown, New Jersey

National Fire Sprinkler Association, Inc.

Representative

Russell P. Fleming
National Fire Sprinkler Association
Patterson, New York

Alternate

Kenneth E. Isman
National Fire Sprinkler Association
Patterson, New York

National Institute of Building Sciences

Representative

Gerald H. Jones
Kansas City, Missouri

National Ready Mixed Concrete Association

Representative

Anne M. Ellis, P.E.
National Ready Mixed Concrete Association
Silver Spring, Maryland

Alternate

Jon I. Mullarky, P.E.
National Ready Mixed Concrete Association
Silver Spring, Maryland

Portland Cement Association

Representative

S. K. Ghosh
Portland Cement Association
Skokie, Illinois

Alternate

Joseph J. Messersmith
Portland Cement Association
Rockville, Virginia

Appendix B: Seismic Rehabilitation Guidelines Project Participants

Precast/Prestressed Concrete Institute

Representative

Phillip J. Iverson
Precast/Prestressed Concrete Institute
Chicago, Illinois

Alternate

David A. Sheppard
D.A. Sheppard Consulting Structural Engineer, Inc.
Sonora, California

Rack Manufacturers Institute

Representative

Victor Azzi
Rack Manufacturers Institute
Rye, New Hampshire

Alternate

John Nofsinger
Rack Manufacturers Institute
Charlotte, North Carolina

Southern Building Code Congress International

Representative

John Battles
Southern Building Code Congress International
Birmingham, Alabama

Alternate

T. Eric Stafford, E.I.T.
Southern Building Code Congress International
Birmingham, Alabama

Steel Deck Institute

Representative

Bernard E. Cromi
Steel Deck Institute
Fox River Grove, Illinois

Alternate

Richard B. Heagler
Nicholas J. Bouras Inc.
Summit, New Jersey

Structural Engineers Association of Arizona

Representative

Robert Stanley
Structural Engineers Association of Arizona
Scottsdale, Arizona

Structural Engineers Association of California

Representative

Eugene Cole
Cole, Yee, Schubert and Associates
Carmichael, California

Alternate

Thomas Wosser
Degenkolb Engineers
San Francisco, California

Structural Engineers Association of Central California

Representative

Robert N. Chittenden
Division of State Architect
Granite Bay, California

Alternate

Tom H. Hale
Imbsen & Associates
Sacramento, California

Structural Engineers Association of Colorado

Representative

James R. Harris
J.R. Harris and Company
Denver, Colorado

Alternate

Robert B. Hunnes
JVA, Incorporated
Boulder, Colorado

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

Structural Engineers Association of Illinois

Representative

W. Gene Corley
Construction Technology Laboratories
Skokie, Illinois

Structural Engineers Association of Northern California

Representative

Ronald F. Middlebrook, S.E.
Middlebrook + Louis
San Francisco, California

Alternate

Edwin G. Zacher
H. J. Brunner Associates
San Francisco, California

Structural Engineers Association of Oregon

Representative

Joseph C. Gehlen
Kramer Gehlen Associates, Inc.
Vancouver, Washington

Alternate

Grant L. Davis
KPF Consulting Engineers
Portland, Oregon

Structural Engineers Association of Southern California

Representative

Saif Hussain
Saif Hussain & Associates
Woodland Hills, California

Alternate

Saiful Islam
Nabih Youssef and Associates
Los Angeles, California

Structural Engineers Association of San Diego

Representative

Ali Sadre
ESGIL Corporation
San Diego, California

Alternate

Carl Schulze
San Diego, California

Structural Engineers Association of Utah

Representative

Lawrence D. Reaveley
University of Utah
Salt Lake City, Utah

Alternate

Newland Malmquist
Structural Engineers Association of Utah
West Valley City, Utah

Structural Engineers Association of Washington

Representative

James Carpenter
Bruce Olsen Consulting Engineer
Seattle, Washington

Alternate

Bruce C. Olsen
Bruce Olsen Consulting Engineer
Seattle, Washington

The Masonry Society

Representative

John Kariotis
Kariotis and Associates
Sierra Madre, California

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**

Western States Clay Products Association

Representative

Jeff I. Elder, P.E.
Western States Clay Products Association
West Jordan, Utah

Western States Council of Structural Engineers Association

Representative

Greg Shea
Moffatt, Nichol & Bonney, Inc.
Portland, Oregon

Alternate

William T. Rafferty
Structural Design North
Spokane, Washington

Wire Reinforcement Institute, Inc.

Representative

Roy H. Reiterman, P.E.
Wire Reinforcement Institute, Inc.
Findlay, Ohio

Alternate

Robert C. Richardson
Consultant
Sun Lakes, Arizona

FEMA Project Participants

Project Officer

Ugo Morelli
Federal Emergency Management Agency
Washington, D.C.

Project Technical Advisor

Diana Todd
Consulting Engineer
Silver Spring, Maryland

**Appendix B: Seismic Rehabilitation Guidelines
Project Participants**
