WORLD ACADEMY OF SCIENCE, ENGINEERING AND TECHNOLOGY

ICCSEE 2015 : XIII International Conference on Civil, Structural and Earthquake Engineering

ICCSEE 2015

June 15-16 2015, Toronto, Canada

University of Toronto Chestnut Residence and Conference Centre 89
Chestnut St, Toronto, ON M5G 1R1, Canada Tel:416-978-8863

Fax:416-585-3197

CALL FOR PAPERS

The ICCSEE 2015 : XIII International Conference on Civil, Structural and Earthquake Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Civil, Structural and Earthquake Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advanced Composite Materials,
Composite structures
Air pollution, Water
Pollution
Air and water
Applications of Engineering
Geology
Applications of FEM, Nano
Technology in Civil
Engineering
Architectural, Coastal,
Geotechnical, Infrastructure,
and Materials Engineering
Building Materials, Concrete
Technology and Structural
Engineering
Civil and Earth Resources
Engineering

Concrete Technology, Low Cost
Housing
Construction Materials and
Construction Equipment
Construction Planning and
Management
Construction Management and
Safety
Cost and Project Management
Disaster Mitigation and
Management
Energy and Environmental
Science
Environment, Water Resources
Engineering
Environmental Engineering,
Sanitary Engineering
Facilities and Asset
